Mental Health Service

Supported accommodation for adults living with persistent mental health challenges who are experiencing, or at risk of, homelessness.

What is our Mental Health Service?

We provide short to medium-term supported accommodation for adults with persistent mental health challenges who are experiencing, or at risk, of homelessness.

We offer a range of support and referral services to help you manage and cope with the process of finding a safe place to live.

Community Recovery Village

One, two and three bedroom units in small groups, located within the Perth metropolitan area. You will have regular access to a recovery facilitator who will work with you to develop your individual recovery plan.

Accommodation Units

Two units with three bedrooms in each, located across the Perth metropolitan area. You will have regular access to a housing support worker who will work with you to develop your individual recovery plan.

Mental Health Support Services

We base our services on a recovery and trauma-informed practice. We offer mental health support and referral services to help you manage and cope with the process of finding a safe place to live.

SUPPORT

Regular meetings with a support team and chaplaincy service.

ASSISTANCE

Help to develop skills to be able to live independently with a view to secure long-term accommodation.

ADVOCACY

Advocacy and advice to relevant and useful external agencies.

HEALTH PROMOTION

Access to health promotion and wellbeing advice, including coaching support.

REFERRAL

Referral to appropriate health and community support agencies.
