# Wellbeing Chaplaincy Service

As part of our ongoing commitment to supporting the wellbeing of the St Bart's community, our Chaplaincy Service now incorporates a wellbeing service approach.

It has been renamed St Bart's Wellbeing Chaplaincy Service following approval from the Anglican Archbishop and our Board of Directors.

The reason for this focus is to expand the existing service to be more accessible to both staff and consumers.

It also reflects our goal to support and encourage staff in their service delivery, while supporting consumers to secure long-term stable accommodation through the engagement of connection, meaning, purpose and hope.

## Service delivery

Some of the services delivered by our Chaplains include:

- a listening ear
- emotional and spiritual advice
- wellbeing support
- grief and bereavement support
- individual or group meetings
- pastoral care support
- spiritual needs
- understanding and empathy
- friendship and company
- assistance, help and advice
- feeling valued, accepted and respected
- feeling peaceful
- feeling safe.

## Our purpose

Our Chaplains are here to support and guide the St Bart's community - everyone is encouraged to drop in for a visit or chat with either our resident Chaplain Ross Jones or one of volunteer chaplains.

The Wellbeing Chaplaincy Service provides support and assistance to promote everyone's wellbeing and is aligned to our mission - *to provide opportunities, pathways and care to vulnerable people who find themselves without a home.*
